

The Way I See It

October 27, 2017

Activity staff cleaned up the serenity garden on Tuesday of October 17, 2017. It was done so that it was looking good for the big day on October 18, for the blessing of the bus, and ribbon cutting along with cake and coffee. Thank you for your efforts to get it all cleaned up. Sister Mary Agnes

Thank you to everyone who made Fall Wellness Days a success! It takes a total team effort and everyone pitched in in advertising, setting up tables/chairs, registering patients, giving information to patients on diabetes and hypertension, preparing the breakfast snacks, taking blood pressures, drawing the labs, mailing out results, just to name the areas and hopefully not forgetting anyone. Thanks! (Sandy Teubner).

Thank you to **Karen Bienek** and **Jessica Hanson** in getting some difficult Medicaid claims this past month – some of which were held up at the state for a long time – it is great to finally have them paid for. (Sandy Teubner)

Thank you to **Miranda Weninger** for bringing back extra cash in the cafeteria bag that was meant for another department and not just assuming it went in the cash register in cafeteria. We would have tracked it down eventually, but you made it easier for us and saved the office time when you noticed it right away. Thanks for your attention to detail. Sandra Teubner, CHFP

Thank you to everyone who made it possible for the exceptional celebration/blessing of the new resident's bus. Thank you Beth for coordinating the process as it went as it went great and everyone appreciated the festivities. Mike Z.

Becca Opp, Mindy Schneibel, and Betty Hakanson thank you for working together to cover a nurse position after a call in.

Becca Opp and Marlene Hoffart were recognized for covering all the CNA shifts this past weekend.

Thank you **Betty Hakanson** for picking up multiple night shifts.

Becca Opp was recognized for assisting the RA's with feeding residents.

Cheyenne Davis and Vanessa Burr were recognized for assisting the residents on and off the bus after the bus ride on 11-1-17.

Thank you to Danica, Colleen, and Crystal for performing such a GREAT job promoting Breast Cancer Awareness month! SAMC broke the mammography record of 125 tests and for that I'm sporting some flashy pink nails for the month of November! Great job ladies!!! Mike Z.

A bone to the dog is not charity. Charity is the bone shared with the dog, when you are just as hungry as the dog.

Jack London (1876 – 1916)
