

The Way I See It
June 23, 2017

I would like to recognize **Lynette Bender** for helping Anna Nelson from Laundry get her car started after work. It was great that she took the time to help Anna out in her time of need. Gary Kennedy

I would like to recognize **Lanette Mertz** for all of the work & time she has put into the new menu/tray ticket program for Dietary. As with any new system there have been bugs to work out, she doesn't let anything deter her, she just jumps in & figures out what needs to be done & does it. She has worked late (until 10pm one evening!) & come in on days off. Thank you does not cover how grateful I am to have her working with me on this; I never would have gotten it done without her! Thanks Lanette, you are awesome!!

I want to recognize the **Dietary Staff** for their hard work & patience this week. We kicked off our new menu/tray ticket program on Monday, there have been some issues but we are working through them. I'd like to express my gratitude to them for their ideas & plunging into new menus & the system with a great attitude. This has been a learning experience for all of us & will continue to be for the next few months. Thanks everyone! Lynette Bender, CDM

Thank you to the following who participated in the Memorial Service on May 31st. I am not sure who has participated in the past as it may vary a little each time for staff to share the moments, but I think this is a very reverent, honorable service to honor our patients and residents who have passed away under our care. **Sr. Mary Agnes** lead the service, **Mavis Troftsgruben** and **Tonia Erickson** did a nice job reading the obituaries and **Marian Hase** played the organ with **Mark Sommer** singing. Thank you all for your compassion to others and sharing your talents with the family members, residents and staff who attended the service. Sandra Teubner, CHF

Isabelle Goldade, offer to take the rolls down to Day care this morning, as Sr. Mary Agnes was on her way to a meeting. Staff down in Day care keep saying thank You! Thank you!

Sr. Mary Agnes was grateful as well, as they would not have gotten the rolls unite later in the morning. Sister Mary Agnes

Many thanks to **Sara Balfour and Laurie Martin** for helping me to finish planting in Serenity Garden yesterday. Their cheerful willingness to "dig in" made the job go by quickly, and the garden looks spectacular! Donna Corneliusen, LSW

Thank you to **Joe Volk and Pam Stewart** for coordinating a successful 8th annual St. Aloisius Medical Center Charity Golf Tournament. Also thank you to **Pam Held, Christy**

and to everyone who participated who helped make this charity golf tournament a great success!!
