

**The Way I See It**  
**December 22, 2017**

Thank you to **Sr. Mary Agnes** for organizing the game/puzzle area at Senior Housing and for organizing the kitchenette cupboards. It's nice to have everything in its place! (Sandy Teubner)

Thank you to **Christy Arends and Laurie Pellett** for decorating the front lobby and business office for Christmas. The stockings in the business office are a fun, new touch! (Sandy Teubner)

Thank you to **Christy Arends** for getting all the info and sample shirts, sweatshirts together to put in an order for apparel with the St. Aloisius logo on it with Double E Designs. It has been a while since we have had new clothing with our logo on it and we are proud of our ministry. (Sandy Teubner)

I would like to thank my co workers, **Krystal Wiesz and Colleen LaFontaine** for covering for me when I was gone with Tate for Dr. appointments. I greatly appreciate their willingness to cover the shifts and pick up the call hours so I could be gone. Also for their care and concern during this time. I am grateful for all their help! Also for the Staff here at St Aloisius for their prayers for Tate over the last month, they were felt and heard! Danica

I want to give a BIG thank you to **Mavis Troftgruben and Tonia Erickson** for taking on my duties while I was on full medical leave and continuing to help me while I am back to work part time. I know it added a lot to their already busy days and I am so blessed to have them as my co-workers. I also want to thank everyone else who picked up pieces of my work for me – and there were a number of you. You are all so appreciated.

I want to recognize **Kim Peltier and Kim Goldade** for decorating Serenity Garden and the little tree outside of Unit B's dining room with Christmas lights. It looks wonderful and what a delight for our residents – and staff - to look at. Thank you, ladies! Donna Corneliusen, LSW

Thank you, **Emy Becker**, and Great Job putting up our Holiday Decorations on Med/Surg. They are beautiful and you did an awesome job. Eleanor and Candie

Thank you **Mary Prouty** for your dedication and work with our Influenza “outbreak”... your expertise is valuable and appreciated!

Thank you **Pam Marsh** for coming to “our” rescue and helping on the floor when we were inundated with admissions on Tuesday ☐

Thank you **Courtney Lautt** for taking care of Tamiflu disbursements over the weekend!!!

Thank you **registration staff** for your diligence on keeping us all healthy and handing out masks at the desk ☐

Thank you to **all staff on Medical Floor** for working so diligently on reducing “patient harm”... we were recognized for our reduction in incidents of falls and CAUTI’s...

Thank you **Marjorie** for taking our Cardiac Readiness to Fessenden earlier this Month and for your flexibility with CPR training ☐ I do think DHB had some fun with the training ☐

Thank you **Sandy** for your continued work to find our community funding to improve their health and also to be a Cardiac Ready Community... I appreciate you and all your work ☐

**Laurie Pellett & Christy Arends** did a great job of making the front lobby and switchboard office very festive this month! The decorations and bright colors really cheer things up out front and it’s great to see!

I want to thank the **entire switchboard staff** for picking up extra shifts, especially weekends, over the past few months. We have been shorthanded for quite some time now and yet they always seem to pull together and make sure we are staffed 24/7. I can’t say enough how appreciative I am for all their dedication and hard work out there! Jessica Hanson, CRCR

I would like to take this opportunity to wish everyone a very MERRY CHRISTMAS! Mike Z.
