

The Way I See It

February 16, 2018

Christy Arends spent considerable time today assisting, finding information and guiding a former patient to do what he needed to do to get his power turned back on at his home. I so appreciate her willingness to go the extra mile! You rock, Christy! Donna Corneliusen, LSW

Thank you to the **Business Office and Administration** who made the “**Day at the Beach**” a successful time. The decorations, ice cream, and give always were such a nice treat for all! Mike Z.

I would like to thank our **wonderful ER staff** for the amazing job they did when my sister-in-law was in the ER. I can't even express the gratitude we have for them for their quick action, professionalism & caring. They did everything they could for her & we will be forever grateful. I also want to thank the rest of the staff for your outpouring of love & concern for our family. I'm overwhelmed with the kindness you have shown. We are truly blest to have the best people working in our facility. Please continue to keep us in your prayers, especially my brother-in-law, David, my niece, Brittany and my nephew, Brock. Thank you and God bless you all. Lynette Bender, CDM

Thank you to **Lorie Sieg** for working with other purchasing directors in our Group Purchasing, Intalere to reduce the 2% upcharge on heavy products ordered through Kreislers, as Kreislers took the surcharge off. You are always looking at many angles to save money and it is very much appreciated. (Sandy)

Thank you to Sherri Engkvist for asking a customer if he needed assistance while walking down the hall. She demonstrated a gentle and kind approach to this person while asking him if he need assistance. Sherri also took the proactive approach to ride in the elevator with the customer to help him get to his destination. Thank you Sherri as you demonstrated what our Mission and Values are all about!! Mike Z.

A big thank you to **Pastor Phil Leer** for shoveling off the sidewalks so visitors could come into the hospital. Danita Rixen

Thank you to all employees who work safely throughout the year to help keep Workforce Safety premiums down. We recently received our annual billing and we received a significant discount as a safety discount. Thanks to **Marian Hase** for all of her work coordinating the safety program, safe driver program, etc. (Sandy Teubner)

Thank you to Pam Stewart and **Karen Bienek** for getting their work for January financials done a week early so I could finish my part of financials before I went on vacation. I know it kind of rushed everything, but It was very much appreciated! (Sandy Teubner) Sandra Teubner, CHFP
