

The Way I See It

July 20, 2018

A huge Thank you to everyone for the gift baskets. They are all wonderful and fun. It is great to see everyone pitch in and help out for this fundraiser. Don't forget to stop by and check them out if you haven't and also get some tickets. There is something for all ages. Thank you again.

Tonia has helped me several times with nursing home issues with my family. This is something she does not have to do as the patients reside in another state. This is an example why she is social worker of the year because she always helps anyone with questions. Thank you **Tonia** for always being there. Danita R.

I would like to thank everyone at St. Aloisius for their thoughts and prayers during my family emergency. Special thanks to **Sara Balfour** and my co-workers for picking up my shifts on a moment's notice and assuring me there were no worries here. I am glad I work for a company that cares so much for everyone. Danita R.

Thank you to everyone who participated in and supported this year's golf tournament. A special thank you goes out to **Joe V. and Christy A.** who coordinated the entire tournament from start to finish. Great people capitalizing on great opportunities! Mike Z.

I want to recognize **Sherri Filler** on going above and beyond to comfort a patient and the family.. I received a note from a family member that said Sherri went above and beyond to accommodate the patient and showed so much kindness to their loved one... this is the compassion that is making the difference ☐Candie Thompson

Thank you to **Pam Marsh, Jill Wenzel, Marjorie Kleinsasser, and Eleanor Sieglock** for rearranging your schedules to cover a sick call :-)) we have a wonderful team that I always appreciate and I'm thankful for. Candie Thompson

Thank you to **Lorie Sieg** for reaching out to her vendors to inquire about refurbished equipment for our clinic vs. buying new which lead to a contact with a CEO from a hospital in Long Prairie MN who is building a new clinic and hospital and has quite a bit on inventory (exam tables, lights, scales, mayo stands, desks, etc) we will be able to go look at soon to see if it fits our needs. Always great to have connections! (Sandy Teubner)

Thank you to the main clinic planning team, **Gary Kennedy, Lanette Mertz, Mike Zwicker, Jessica Hanson, Lorie Sieg, Candie Thompson, Christy Arends, Marian Hase and Sandy Teubner** for all of your EXTRA work the past two months for getting the clinic up and running.

It has taken a lot of extra time above your daily duties because of the imminent time frame and your hard work is appreciated. There are also many behind the scenes to also thank, board of directors, senior leaders, maintenance and housekeeping, business office, personnel, nursing, pharmacy, medical records, purchasing, laboratory and radiology – so didn't want to forget anyone, but the core team has gone above and beyond on this project!! (Sandy Teubner)

Thank you to EVERYONE who participated with the project of the new CLINIC. Without each and every one of you the completion of our clinic would not be possible! Mike Z.

The world is moving so fast these days that the man who says it can't be done is generally interrupted by someone doing it.
